MOUNT ST. MARY'S
COLLEGE

Alma Mater

Oh, Alma Mater, we love you,
Oh, blessed Mount and sing your
praises never ceasing
For on your heights above the
ocean's billows
Stands Mount St. Mary's calling;
We greet you, oh beloved Mount,
So near the stars above the city
In vistas ever new from cloud
flecked sky,
You bid us welcome home, welcome
home.
Your chapel, your cloisters wide
Where we have walked in wisdom's
path.
Your truth we'll cherish all our
days
Oh, Alma Mater.

This midnight madness was the skating adventure held at the Culver City Ice Skating Rink. Those who had donned their skates for the first time found themselves desperately seizing whatever and whomever they could to keep from (oops!) - falling. All in all, it was a fun-filled experience.

The Los Angeles Fire Department informed students on what to include in their emergency kits and other vital information.

Students, faculty and staff tested their knowledge about earthquake preparedness and safety at different information booths.

Will you be prepared when the "BIG ONE" hits? Erica Jager takes no chances and purchases an emergency preparedness kit.

Canned food ... crackers? Food Services prepared meals that are typical after a major earthquake.

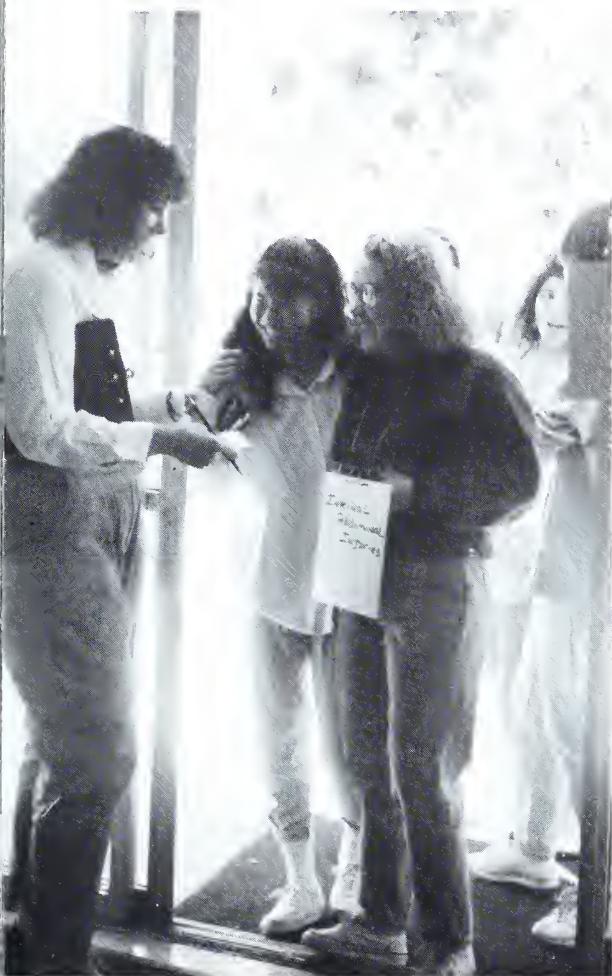

After an earthquake, students are instructed to meet in the circle at their assigned stations.
